

Harrison County Farmers Build Against Hunger Food Drive
Cans and Non Perishable Food Items Construction Contest

The Harrison County Farm Bureau Inc. is organizing a competition in constructing food structures to develop a food drive for our hungry neighbors in Harrison County. The competition is to have any group, church, business or organization to develop and build a structure of food items. It will be an open theme for the structures since the State Fair Theme is Food. The structure will be built and on display during the Harrison County Fair June 16-22, 2019. The displays will be in the Talmage Windell Memorial Agriculture Building at the Fair Grounds. \$25 will be donated to the Community Food Bank in the name of each of the Category Winners. The Four Categories of Competition are-Judge's Favorite, Best Structure, Most Balanced Meal and Best Use of Labels.

The goal is to alleviate hunger by collecting food items (cans and nonperishable) and giving the items to the Food Bank at Harrison County Community Services.

Organizations can purchase large quantities of food at discount prices from Harrison County Community Service for the project. (ph- 812-738-8143)

Dates: Register by Friday, June 7th- See form

The Build on Monday, June 17, 2019 can start at 12:00 noon and finish by 7:00 pm at the New Agricultural Building at the Harrison County Fair Grounds.
